

Overview and Impact of Sport Premium Funding 2015 - 2016

The Sport premium funding has been given to every Primary school this year to improve provision in the following areas:

- 1) Achievement in weekly PE lessons.
- 2) Increased participation in competitive school sport.
- 3) Personal health and well-being.
- 4) Improved attitudes and behaviour towards learning.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

During the academic year 2015-2016, East Hanningfield C of E Primary plans to spend our funding (£8458) received in the following:

Updating and expanding PE and sports equipment

After consultation with staff and children, we aim to buy additional equipment that will continue to aid high quality teaching and support a more sustainable PE curriculum. Our priority for the future is the sustainability of our swimming pool as we need to ensure that every child in school can learn to swim competently, confidently and proficiently over a distance of 25 metres. They need to swim a range of strokes and perform safe self-rescue before leaving East Hanningfield School. The aim is to replace and extend the equipment to enable children to swim for longer periods of time. We are aware of the need to improve and introduce new equipment to enable this valuable asset to be used by the current children and future children attending the school.

IMPACT REPORT

94.4% of children left the school in July being able to swim and minimum of 25 metres and all the year 6 children had opportunities to learn new valuable life saving skills. All children had opportunities to swim 16 weeks of the year with a Qualified Swimming Coach. In order for the lessons to remain efficient additional work and materials and equipment were needed for the

swimming pool. By using the onsite swimming pool rather than transporting the children to a public swimming pool the children are out of the classroom for the minimum amount of time and receive the maximum amount of time in their swimming lesson.
