## PE & Sports Premium for Primary Schools Report

### 2018/2019 Funding Allocation

The PE and Sports Premium for Primary Schools, which is additional to the main school funding, is allocated to schools to improve outcomes for pupils through PE both within the curriculum and through extra-curricular activities.

The funding must be used to make additional and sustainable improvements to the quality of PE and sport on offer. This means that the premium should be used to:

- develop or add to the PE and sport activities that our school already offers
- make improvements now that will benefit pupils joining our school in future years

To engage the least active pupils in PE and School Sport	Sports Leader – Premier Sports – to ensure lunchtime is play lead ensuring children are fit and healthy	£3535 –	<p>Identification of least active pupils by all staff</p> <p>Engaging least active pupils in PE lessons and during lunchtime sessions</p> <p>Engaging least active pupils in school sports by introducing them to alternative activities (dodgeball)</p> <p>Positive Pupil perceptions of school sport from the least active pupils</p> <p>Increased participation at clubs by the least active pupils by 20% 2 out of 6 children identified</p>	Children are able to play the games, from learning the rules they can play them independently or with adult supervision.
	Redevelopment of outdoor space	£16000	The area of space on the playground has been identified as an area which needs developing to ensure children are able to play and be more active during break times and lunch times. By developing the area to have all weather surface means the children will be able to be more active all year round.	By providing all weather surface and improved resources the area can be utilised 100% of the time.

To increase the participation of children in inter school sports competitions to above 60% KS2 and 50% KS1	Taxi for sport events <ul style="list-style-type: none"> <li>• Sports Hall Athletics Super stars</li> <li>• Dodgeball</li> <li>• Football</li> <li>• Netball</li> <li>• Cricket</li> <li>• District Sports</li> <li>• Rugby</li> </ul>	Transport TBC as of each event	Positive Pupil perceptions of school sport from the all pupils – enjoyment of the session, wanting to take part in more activities. (Comments from pupils on the return from the session were all positive)	From the children taking part in level 2 competitions and talking positively about the experience more children are wanting to take part in competitions against other schools.
To develop Teaching staff CPD	Chelmsford Schools Sport partnership (CSSP)	£415	2 members of staff have benefitted from CSSP The Subject leader has termly updates. This is an opportunity for networking, seeking support in increasing participation in competitions, obtaining information on new initiatives and messages from the Department for Education.	Cascading the information from the CSSP conferences means all staff are aware initiatives and training and support available. Ensuring all staff partake in one CPD each year for PE and school sport would develop this sustainability
To develop leadership skills in pupils	Bronze Ambassador Training)	£0 Transport provided by parents	Following the appointment of two Bronze Ambassadors for Sport and their appointment of a Sports Crew we have been supported by the CSSP to have further training to develop pupil's leadership skills. . The Sports Crew provide level 1 competition in school each term for the whole school	Pupils are able to take an active role in leadership. This is an area which can be developed in all classes, allowing pupils to lead warm up sessions or to lead a skill to 'teach' to another group of children.
To support the mental wellbeing of all staff and pupils	INSET training (Church Collaboration group)	£50 per participant	Friday October 19 <sup>th</sup> will be used as Staff INSET training on health and Well being. Working with the Church Collaboration and The Children's Health Project to	

			understand how to support our own mental health and wellbeing.	
	Children's Health Project		The Children's Health project has already been implemented into school and some classes are using the resource regularly. Planning to show all classes actively engaging in one activity per week as part of their PE / PSHE learning.	Children are more able to discuss the benefits of healthy lifestyles and how they can help themselves by being healthy and making healthy choices including mental health and wellbeing.
